## RENEWAL OF MEMBERSHIP SUBSCRIPTIONS FOR 2024

13 November 2023

Dear Members

We are delighted to confirm that most of next year's lectures will be delivered by our visiting overseas lecturers, and two by New Zealand experts. After holding our annual subscription rate at \$140 a person since 2020, we regret that we must increase it by \$10 in 2024 to meet the significant increases we face in travel and other costs.

A summary of the 2024 programme is enclosed for your information. To secure your membership for next year, please renew your subscription by:

### Friday 19 January 2024

- Individual subscription rate for each renewing member \$150
- Subscription renewal rate for two people living at the same address \$300

Payment should be made online or by direct deposit to our bank account number **06 0507 0112474-00**. Please include your name in the reference field.

The programme card for 2024 will be your receipt of payment and will be given to you at the first lecture in March.

We encourage interested members to renew in the next two months. Any memberships not renewed by Friday **19 January** will be offered to those on our waiting list so that we have a full complement of members by the first lecture on Tuesday 12 March 2024.

Thank you for your continued support. We look forward to welcoming you to the exciting range of lectures in store for us in 2024.

Best wishes to you and your family for the festive season.
